

Community Guidelines

⚠ **DRAFT — NOT LEGAL ADVICE.** An inventor-prepared plain-language, public-facing companion to the Acceptable Use Policy, for counsel to review and approve. The AUP is the enforceable rulebook; these Guidelines are the friendly, member-readable version of the same rules. Prepared 2026-09-14. See [Policies\ACCEPTABLE-USE-POLICY](#).

Our community in one line

Get Goods Gratis is an 18+ community for earning and shopping. Be honest, be kind, keep it legal — and everyone gets to keep earning.

The rules

- **18+ only.** You must be 18 or older. Accounts found to belong to minors are removed.
- **Be real.** No fake accounts, bots, self-dealing, or gaming the earn/referral system. Rewards from fraud are reversed.
- **Be respectful.** No harassment, hate, threats, or targeting other members — including in Buddy Chat and any voice or messaging feature.
- **Keep it lawful and safe.** No illegal content or activity. **Child sexual abuse material (CSAM) is reported to NCMEC and law enforcement**, with zero tolerance.
- **Post only what's yours.** Don't upload content you don't own or have a license to; respect others' IP (see the DMCA process).
- **Disclose paid posts.** If you earn from sharing an offer, your post must clearly say so (e.g. `#ad`).
- **Protect privacy.** Don't share other members' personal information.

How enforcement works

Violations can lead to content removal, feature limits, reward clawback, suspension, or account termination, depending on severity — with an appeals path. The binding terms are in the Acceptable Use Policy and Terms of Service.
