

Acceptable Use Policy — Get Goods Gratis (Free)

⚠ **DRAFT — NOT LEGAL ADVICE.** This is an inventor-prepared **template** Acceptable Use Policy (AUP) for qualified counsel to review, tailor, and approve. It unifies, in one place, the prohibited-conduct and content rules that currently live per-feature (moderation, Buddy Chat, DMCA), and states how they are enforced. Bracketed items **[LIKE THIS]** are for counsel/owner. It supplements — and is incorporated into — the Terms of Service. Prepared 2026-09-13.

0. Scope

This AUP applies to **everyone** who uses the platform (the website/PWA, the mobile apps, and any connected features such as chat, voice, profiles, reviews, and the optional shopping helper) and to any content you submit or transmit. All users are **18+**. Breaking this AUP can lead to the actions in §4.

1. Prohibited conduct

You will not:

- **Defraud the earn/reward system** — create multiple or fake accounts, use bots/scripts/emulators, farm or automate surveys/ads/activities, collude, or otherwise obtain Site Cash, rewards, or prizes you did not genuinely earn;
- **Manipulate the closed-loop economy** — attempt to cash out, launder, transfer, sell, or convert Site Cash contrary to the Terms, or exploit bugs to mint or move value;
- **Circumvent controls** — bypass security, rate limits, usage caps, age gating, jurisdiction gating, or access controls; probe or attack the platform; interfere with its integrity or availability;
- **Scrape or bulk-extract** data, or use the platform to build a competing product;
- **Break the law** — use the platform for anything illegal, or to facilitate illegal goods/services.

2. Prohibited content (including user-generated content)

You will not submit, post, or transmit content that:

- is **illegal**, or **child sexual abuse material (CSAM)** — which is subject to **zero tolerance**, removal, preservation, and reporting to **NCMEC** and law enforcement as required;
- **harasses, threatens, bullies, or incites violence**, or targets a person or protected group with hate;
- is **sexually explicit, obscene**, or otherwise violates content standards **[counsel/owner to set the exact content lines, especially for chat/voice and profiles]**;
- **infringes** intellectual property or privacy rights (see the DMCA/takedown process in [AI-MODERATION-AND-DMCA.md](#));
- is **spam, deceptive, impersonating**, or a scam;
- discloses another person's **private or personal information** without authorization.

3. Feature-specific rules

- **Buddy Chat / voice** — recorded and transcribed for moderation; no arranging real-world meetups where prohibited; Leave/Report/Block must always work. See [BUDDY-CHAT-LEGAL-BRIEF.md](#).
- **Profiles** — only the opt-in, limited fields you choose to make public may be shown; no misuse of others' profile data.
- **Shopping helper** — use only as intended; no manipulation of cashback/commission.
- **Advertisers/partners** — additionally bound by the Advertiser Agreement / Partner Agreement.

4. Enforcement

The Company may, proportionate to the conduct and **[with/without prior notice — counsel to set]**: issue a warning; remove or restrict content; **suspend or terminate** accounts; **forfeit or reverse** Site Cash, rewards, or prizes obtained in violation; withhold payouts; and **refer to law enforcement** where appropriate. Enforcement decisions may combine automated detection with human review. **[Counsel: proportionality, notice, and the standard for permanent bans.]**

5. Reporting and appeals

Users can **report** violations in-app; rights-holders use the DMCA/takedown process. A user affected by an enforcement action may **[appeal via the stated process — counsel to define the appeal path and timelines]**.

6. Relationship to other terms

This AUP is part of the **Terms of Service** and works alongside the **Privacy Policy**, the **EULA**, the **Advertiser Agreement**, the **Partner Agreement**, and the moderation/DMCA process. If terms conflict, **[counsel to set precedence]**.

7. Changes; contact

The Company may update this AUP; material changes will be **[notified — counsel to set, aligned with the Terms re-consent mechanism]**. **[Legal entity name, contact email/address.]** Intended web address: getgoodsggratis.com.

2. **CSAM detection + NCMEC reporting** procedure, preservation, and records-retention (§2).
